

How to Get to Bertelsmann Unter den Linden

Info on the latest modifications due to construction in the vicinity of Bertelsmann UDL1

UdL1, September 2015

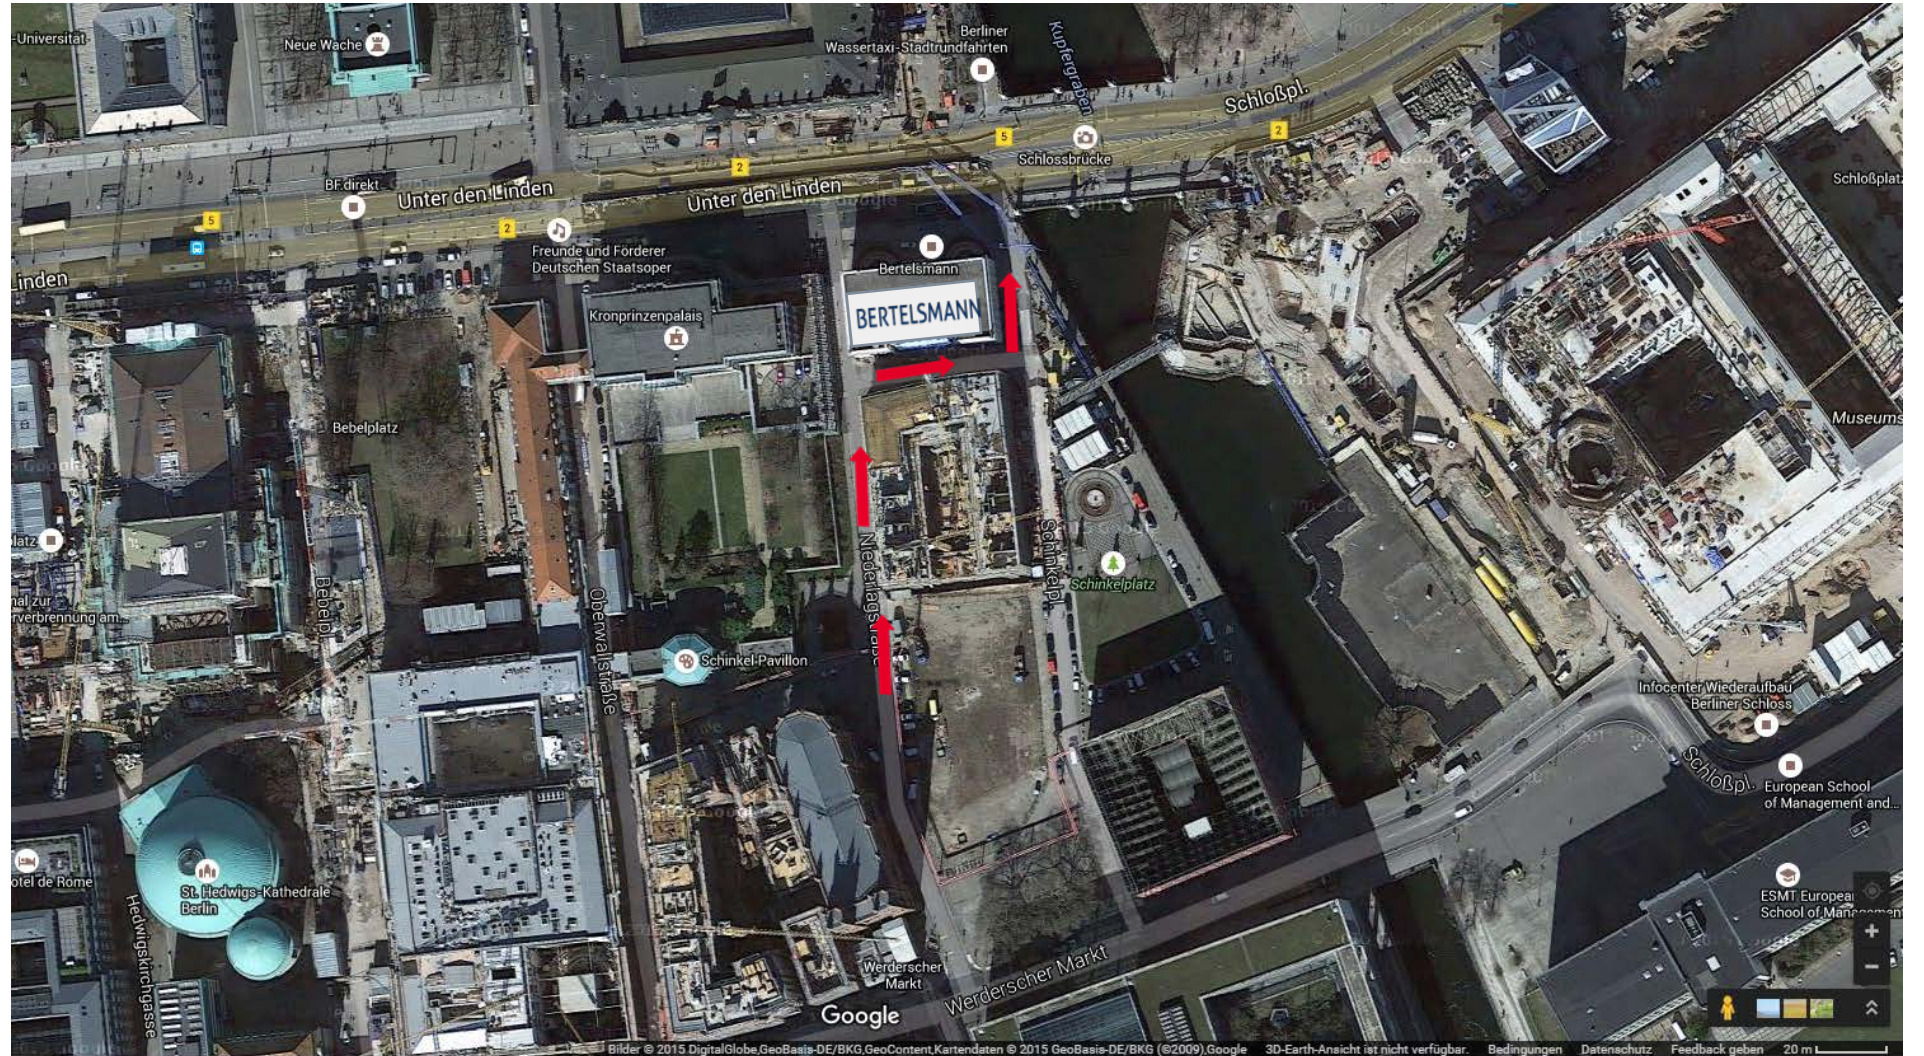

Satellite View

At this time, the approach to Bertelsmann UDL is very restricted due to the many construction sites in the immediate vicinity of the building.

It is recommended to take public transportation or taxis to UDL1 if at all possible.

There is no parking in the immediate vicinity at this time.

We recommend parking in the underground parking garage at Bebelplatz (Q-Park Unter den Linden/Staatsoper). Enter the garage via Behrenstrasse, see page 5.
